Softlines & Leather

China

Serving the textile & footwear
industry for over a decade

Your testing partner in China

Both laboratories have received accreditation from local bodies including CNAS, CMA and AQSIQ, as well as ISO 17025. They offer a wide range of testing services including European standards, U.S. standards, China GB standards, and others.

The laboratory in Hangzhou specialises in textiles and garment testing, while our Shenzhen lab provides expertise in garment and footwear testing. With dedicated staff and robust technical knowledge, our teams provide reliable and customised solutions to buyers and suppliers in the industry.

In addition to our laboratories, we have built up a solid customer support and sales network in Hong Kong, Shanghai and Xiamen to ensure timely and swift support to customers in the regions.

A glance of our capabilities
